

ARTS & CRAFTS PLAN

AFRICA SILHOUETTES

EQUIPMENT

Paper
Paint
Black pens / crayons / paint
Black paper

METHOD

Water down some different sunset colour paints in small bowls.

Create the african sunset background on a piece of paper. Leave to dry.

Children can either draw their chosen African animal on a black piece of paper and cut out, or they can paint the animal onto the background once it's dry.

They can do the same with the tree.
