

ARTS & CRAFTS PLAN

BEAD SNAKES

EQUIPMENT

Pipe cleaners
Beads
Felt tip pens

METHOD

1. Thread different colour beads onto the pipe cleaner.
2. Bend one end of the pipe cleaner over to stop the beads from falling off.
3. With the last few cm of pipe cleaner, bend it round and tuck the end back into the last bead, to make the head of the snake.
4. With a felt tip draw 2 eyes.
