

# ARTS & CRAFTS PLAN

## BUBBLE WRAP TURTLE ART

## EQUIPMENT

Paper  
Bubble wrap  
Turtle silhouettes

Glue  
Scissors  
paint

## METHOD

Dip the piece of bubble wrap into blue paint and print onto a piece of paper to create waves.

Try and use different shades of blue and green for an ocean effect.

Once the paper is covered, leave to dry.

Cut out the silhouettes of turtles. Alternatively children can draw and colour in their own turtles or other animals if they wish.

Once the paint is dry, glue the turtles / animals onto the waves.
