CHEFS HAT AND SAUCEPAN

EQUIPMENT

White paper
Scissors
Cardboard

Paper plate
Jumbo lollipop sticks
Glue and Sellotape

METHOD

Chefs Hat:

Measure a length of white paper so that it fits around the child's head and cut required length.

Along the top of the long side, cut downwards in equal width strips about $\frac{3}{4}$ the way down the paper.

Take the strip from the top to the centre of the page and glue in place, so it makes a loop. Repeat with all the strips.

Allow children to decorate the band of the chefs hat if they wish.

Wrap the paper around the child's head and secure it in place with sellotape.
