

# ARTS & CRAFTS PLAN

## COLLAGE LIONS

## EQUIPMENT

Coloured paper  
Scissors  
Felt tip pens

## METHOD

1. Cut out a circle out of the brown paper for the lion's face.
2. Cut out a triangle and 2 small circles for the nose and cheeks. Stick onto the lion's face.
3. Draw 2 black dots for the eyes at the top of the triangle nose, and colour in the bottom of the triangle with a black nose.
4. Cut a range of coloured pieces of paper into rough triangles. They don't have to be exact.
5. Glue the triangles to the back of the lion's face, so the points all face the middle.

Overlap so they look like a lion's mane.
