## COTTON BUD DRAGONFLIES

## EQUIPMENT

Coloured paper  
Paint  
Dragonfly template

Pencils  
Cotton Buds

## METHOD

1. Children round the dragonfly shape onto the coloured paper.
2. Put out a variety of colour paints.
3. Use cotton buds to dab paint on the paper rather than using brushes, creating a dot effect.
4. Use a different cotton bud for each colour.
5. Encourage children to try and keep their dots the same size and evenly spaced to create patterns on the dragonfly.

6. Cut out the dragonfly when it's dry.
