

# ARTS & CRAFTS PLAN

## FIRE ENGINE CRAFT

## EQUIPMENT

Black paper  
Red and yellow paint  
Red, white, yellow and black paper  
Scissors and glue

## METHOD

Paint a fire scene on the black paper as background.

Leave to dry

Children can then create their fire engines by cutting out paper and glueing onto the fire engine template / colour in with paint / crayons/ pens.

Stick the fire engine onto the background once it is dry.
