

# ARTS & CRAFTS PLAN

## FIREFLY CRAFT

## EQUIPMENT

Plastic bottles  
Pipe cleaners  
Glow sticks  
Colour paper / tracing paper  
Scissors  
Glue

## METHOD

Cut out 2 large wings out of coloured / tracing paper, at least half the length of your plastic bottle.

Wrap pipe cleaners around the plastic bottle, twisting at the bottom to create legs.

Wrap another pipe cleaner around the neck of the bottle and make the ends into antennae

Place a glow stick inside your plastic bottle.

Stick googly eyes onto your bottle lid and screw onto the bottle.

Stick your wings onto your plastic bottle and your firefly is finished!
