

ARTS & CRAFTS PLAN

EQUIPMENT

Coffee filter paper
Pipe cleaners
Felt tip pens
Water spray
Pegs (optional)

METHOD

Get children to colour in their filter paper with pens.

Spray the coffee filter paper with water so the colours blend and leave to dry.

Once dry, fold the filter paper into a concertina and open back out again.

Pinch the filter paper in the middle and wrap a pipe cleaner around the pinch leaving the two ends at the top.

Alternatively you can use a peg to become the body of the butterfly

Curl the pipe cleaner ends to make antennae.
