

ARTS & CRAFTS PLAN

ARCTIC ANIMAL ART

EQUIPMENT

Coloured paper
White paint
Forks (optional)
Felt tip Pens

METHOD

Children can choose which arctic animal they'd like to create e.g. Polar bear, arctic fox / hare etc

Children use the forks / brushes to spread the white paint out to create the face. Leave to dry.

Meanwhile cut out ears, nose etc out of paper.

Once the face is dry, stick on the facial features. They can also use felt tip pens if they want.
