

# ARTS & CRAFTS PLAN

## GINGERBREAD HOUSE

## EQUIPMENT

Card  
Lollipop sticks  
Pipe cleaners  
Christmas Decorative bits  
Coloured paper

## METHOD

Paint 2 lollipop sticks white and leave to dry.

Meanwhile, on a piece of A5 card, design your gingerbread house.

You can add doors, windows etc and make sweets for around the edges etc.

Once the white lollipops are dry, stick them onto the top of the A5 sheet to make a roof. Cut off any excess card.

Decorate the roof as well.
