

# ARTS & CRAFTS PLAN

## HOT CHOCOLATE CRAFT

## EQUIPMENT

Paper plates  
Paper cups  
Card  
Brown tissue paper  
Cotton wool  
Scissors and glue / sellotape

## METHOD

Cut the paper cup in half from top to bottom.

Decorate one half of the cup in your chosen design.

Attach the decorated half cup to the paper plate by taping on the inside of the cup.

Screw up some pieces of brown tissue paper and stuff into the top of the cup.

Pull apart some cotton wool and glue onto the paper plate about the cup - so it looks like steam coming off your hot chocolate!
