

ARTS & CRAFTS PLAN

MOSAIC FRUIT

EQUIPMENT

Black paper
Paper mosaic tiles
Glue
Pencil

METHOD

- 1) Draw an outline of a large piece of fruit onto the black paper using a pencil.
- 2) Carefully stick the mosaic tiles onto the inside of the fruit outline until it is completely filled
- 3) Try and keep the tiles close together with a little gap between each
- 4) You may need to cut some tiles to fit the curved edges!
