

# ARTS & CRAFTS PLAN

## NEWSPAPER SHARK

## EQUIPMENT

Blue paper  
Newspaper

Glue  
Black and white paper

Eyes

## METHOD

The background blue paper can remain plain or children can paint / colour on waves for effect.

Cut a rounded triangle shape for the shark out of newspaper.

Glue the shark head onto the blue paper, a little bit up from the bottom edge of the blue paper.

Cut out blue paper / paint waves onto the bottom edge of the paper to cover the bottom of the shark.

Cut a mouth out of black paper and glue onto the shark. Cut out teeth out of white paper and add to the mouth.

Add eyes and your shark is finished!
