Arts & Crafts Plan

Paper plate pandas

Equipment

Paper plates
Black and white paper
Scissors and glue

Method

1. On the black paper cut out 2 ears, 2 eye patches and a nose.

2. Turn your paper plate upside down.

3. Stick your 2 ears on the top of the plate, so they are sticking out the top.

4. Glue your 2 eye patches onto your plate and then your nose underneath.

5. Cut out 2 small white circles for the eyes and draw little black dots for the pupils.

6. Glue your eyes onto your black patches

7. Draw a little smile for your panda and it is finished!
