

ARTS & CRAFTS PLAN

PET CARROTS

EQUIPMENT

Toilet rolls
Orange paint
Green paper / tissue paper
Sticker eyes and mouths
Card for arms and legs (optional)

METHOD

Paint the toilet roll orange and leave to dry.

Meanwhile, cut strips of green paper to create hair for your pet carrot.

Once dry, stick the green hair onto the inside edge of one end of the toilet roll.

Choose eyes and mouth for your pet's face - you can even add arms and legs if you want!
