Arts & Crafts Plan

Pop out hedgehog

Equipment

Paper	Card
Pom poms	Wool / scrap paper
Lollipop sticks	Toilet roll
Paint	Colour pens

Method

1) Paint a background for your hedgehog picture - trees, plants, sun etc. Leave to dry.
2) Paint the toilet roll and lollipop stick brown and leave to dry.
3) Cut out a hedgehog body out of a card. Stick on pieces of wool to make the spikes. Draw on a face.
4) Stick the hedgehog onto the end of the lollipop stick, horizontally
5) Glue the toilet roll horizontally onto the bottom of the background, to look like a log.
6) Glue some pom poms onto the tree or bushes to look like flowers / fruit.
7) Place the hedgehog into the log, and use the lollipop stick to make it pop in and out!
