

ARTS & CRAFTS PLAN

POT OF GOLD CRAFT

EQUIPMENT

Black and white paper
Gold paper
Coloured streamers / ribbon
Scissors and glue

METHOD

- 1) Draw a cauldron shape onto a black piece of paper and cut out.
- 2) Cut out several small circles out of gold paper for the coins
- 3) Glue the gold coins onto the back of the cauldron so they look like they're coming out of the cauldron.
- 4) Cut strips of streamer / ribbon in different colours
- 5) Glue one end of the ribbons along the top of the white paper.
- 6) Twist the ribbons slightly and then glue the other end of the ribbons down near the bottom of the page, meeting near the middle
- 7) Glue the cauldron onto the white paper, covering the bottom of the ribbons, so it looks like the rainbow is coming out of the cauldron.
