

# ARTS & CRAFTS PLAN

## SNAKE TWIRLER

## EQUIPMENT

Paper plates  
Crayons / Pens / pencils  
String  
Scissors and Glue

## METHOD

Colour the paper plate with your chosen snake colour and pattern

Using a pencil, draw a circle in the middle of the plate, then draw a snail shape swirl out to the edge of the plate.

Cut out the paper plate along the line from the edge of the plate, leaving the small circle in the middle of the plate.

Add eyes and even a tongue to the snake

Pierce a small hole through the centre of the plate.

Thread two ends of string through the hole to make a loop. Secure the string with a knot on the underside of the plate.
