Paint  
Coloured card

## METHOD

Paint your toilet roll your chosen colour and leave to dry.

Meanwhile, cut out 8 strips of card, trying to make them the same width.

Decorate the strips of card with colour / drawing suckers for your tentacles.

Once the toilet roll is dry, glue the ends of the 8 strips around the inside of one edge of the toilet roll.

Curl the ends of the tentacles up.

Stick on eyes and a mouth for your Octopus!
