

# ARTS & CRAFTS PLAN

## TOILET ROLL FROGS

## EQUIPMENT

Toilet rolls                      String  
Card                                Googly eyes  
Paint                                Sellotape  
Frog arms and legs template

## METHOD

Paint the inside of the toilet roll red and the outside green - leave to dry

Colour in frog legs and arms template and cut out

Once dry, stick one end of the toilet roll together so it is closed and a flat edge. Then stick the frogs legs onto the bottom of the flat edge

Stick the frog's arms to the open end of the toilet roll.

Add googly eyes to the open end

Cut a long length of string and using sellotape, stick one end into the open end of the frog (the mouth)

Cut out a fly shape out of card and colour in. Stick the fly to the other end of the piece of string

Try and catch the fly in your frog's mouth!
