

# ARTS & CRAFTS PLAN

## VENUS FLY TRAP

## EQUIPMENT

Paper plates  
Pink tissue paper  
Googly eyes

Paint  
White card  
pom poms / wooden beads

## METHOD

Paint the inside and outside of your plate with green paint and leave to dry.

While the plate is drying, cut your sharp teeth out of white card.

When your plate is dry, fold it in half

Glue your teeth into the edges of your plate.

Cut out a semi circle of pink tissue paper and stick onto the inside of the button half of the plate to create the tongue.

Cut out two circles of white card and colour in a black pupil and stick onto the pom poms / wooden beads.

Glue the eyes onto the top of the plate.
