Cooking Plan

Rocky Road (makes 20)

Ingredients

400g Digestive biscuits
250g Butter / Marg
400g Chocolate
2-3 tbsp golden syrup
Mini marshmallows
White choc chips
Cupcake cases

Method

1. Lay out cupcake cases into muffin tray

2. Put digestive biscuits into a freezer bag and smash up with fist or rolling pin until they're broken up into a mixture of dust and bitesize pieces.

3. Break up the chocolate into pieces and gently melt either in a microwave or on the hob with the butter and golden syrup, until there are no lumps.

4. Add the biscuits, mini marshmallows and white chocolate chips into the melted chocolate until everything is covered.

5. Carefully spoon the mixture into cupcake cases and carefully spread it out.

6. Leave in the fridge for 2-3 hours to set. (will need to take home to finish setting.)
